Admissions and Continued Occupancy Policy

This Admissions and Continued Occupancy Policy defines the Hillsdale Housing Commission's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 Fair Housing

It is the policy of the Hillsdale Housing Commission to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Hillsdale Housing Commission's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Hillsdale Housing Commission will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Hillsdale Housing Commission office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Hillsdale Housing Commission will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Hillsdale Housing Commission will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 Reasonable Accommodation

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Hillsdale Housing Commission housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Hillsdale Housing Commission will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Hillsdale Housing Commission will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 Communication

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 Questions ~~[to]~~ To Ask In [in] Granting the Accommodation

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Hillsdale Housing Commission will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Hillsdale Housing Commission will obtain documentation that the requested accommodation is needed due to the disability. The Hillsdale Housing Commission will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Hillsdale Housing Commission's business is housing. If the request would alter the fundamental business that the Hillsdale Housing Commission conducts, that would not be reasonable. For instance, the Hillsdale Housing Commission would deny a request to have the Hillsdale Housing Commission do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Hillsdale Housing Commission may request a meeting with the individual to investigate and consider equally effective alternatives.

- D. Generally the individual knows best what it is they need; however, the Hillsdale Housing Commission retains the right to be shown how the requested accommodation enables the individual to access or use the Hillsdale Housing Commission's programs or services.

If more than one accommodation is equally effective in providing access to the Hillsdale Housing Commission's programs and services, the Hillsdale Housing Commission retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Hillsdale Housing Commission if there is no one else willing to pay for the modifications. If another party pays for the modification, the Hillsdale Housing Commission will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Hillsdale Housing Commission will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 Services for Non-English Speaking Applicants and Residents

Since the presence of non-English speaking populations is very rare, The Hillsdale Housing Commission will not maintain non-English speaking staff. However, the whenever necessary, the Hillsdale Housing Commission will endeavor to provide access to people who speak languages other than English in order to assist non-English speaking families.

4.0 Family Outreach

The Hillsdale Housing Commission will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Hillsdale Housing Commission will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Hillsdale Housing Commission will also try to utilize public service announcements.

The Hillsdale Housing Commission will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 Right to Privacy

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 Required Postings

In each of its offices, the Hillsdale Housing Commission will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Hillsdale Housing Commission Notices

7.0 Taking Applications

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted by appointment only, during normal business hours. An applicant who resides more than 100 (one hundred) miles from the Hillsdale Housing Commission office may complete an application by telephone. All other applications will be made in person at the following address:

Hillsdale Housing Commission
45 N. West Street
Hillsdale, MI 49242
(517) 439-1210

Applications are taken to compile a waiting list. Due to the demand for housing in the Hillsdale Housing Commission jurisdiction, the Hillsdale Housing Commission may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Hillsdale Housing Commission will verify the information.

The completed application will be dated and time stamped at time of application.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Hillsdale Housing Commission to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (517) 439-1210.

The Hillsdale Housing Commission will issue a final determination of eligibility when the family nears the top of the waiting list. The Hillsdale Housing Commission will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 Eligibility for Admission

8.1 Introduction

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Hillsdale Housing Commission screening criteria in order to be admitted to public housing.

8.2 Eligibility Criteria

 6. A remaining member of a tenant family.
 7. A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.
- B. Income eligibility
1. Income limits apply only at admission and are not applicable for continued occupancy.
 2. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Hillsdale Housing Commission.

3. If the Hillsdale Housing Commission acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
4. Income limit restrictions do not apply to families transferring within our Public Housing Program.
5. If there are no eligible families on the waiting list and the Hillsdale Housing Commission has published a 30-day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the noncitizen rule)
 - c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Hillsdale Housing Commission to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy; and

- b. A provision authorizing HUD or the Hillsdale Housing Commission to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 Suitability

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Hillsdale Housing Commission will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Hillsdale Housing Commission employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Hillsdale Housing Commission will consider objective and reasonable aspects of the family's background, including the following:
 1. History of meeting financial obligations, especially rent, except that:
 - i. If a person's credit and/or rental history has been negatively impacted as a result of the onset of a disability resulting in loss of employment, the Hillsdale Housing Commission shall fairly consider whether or not the applicant family had a prior history of meeting its financial obligations prior to the onset of the disability and whether the negatively impacted credit and/or rental history is directly attributable to the onset of a disability and the resultant loss of employment. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 2. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 3. History of disturbing neighbors or destruction of property;
 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and

1. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- B. The Hillsdale Housing Commission will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Hillsdale Housing Commission will verify the information provided. Such verification may include but may not be limited to the following:
 1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Hillsdale Housing Commission may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.4 Grounds for Denial

The Hillsdale Housing Commission is not required or obligated to assist applicants who:

- A. Do not meet any one or more of the eligibility criteria;

- L. Are illegally using a controlled substance or are abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Hillsdale Housing Commission may waive this requirement if:

8.5 Informal Review

- A. If the Hillsdale Housing Commission determines that an applicant does not meet the criteria for receiving public housing assistance, the Hillsdale Housing Commission will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Hillsdale Housing Commission will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Hillsdale Housing Commission, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Hillsdale Housing Commission's decision. The Hillsdale Housing Commission must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

The participant family may request that the Hillsdale Housing Commission provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 Managing the Waiting List

9.1 Opening and Closing the Waiting List

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 Organization of the Waiting List

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;

- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Hillsdale Housing Commission and the applicant will be documented in the applicant file.

9.3 Families Nearing The [the] Top of the Waiting List

When a family nears the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Hillsdale Housing Commission must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 Purging the Waiting List

The Hillsdale Housing Commission may update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Hillsdale Housing Commission has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 Removal of Applicants from the Waiting List

The Hillsdale Housing Commission will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 Missed Appointments

All applicants who fail to keep three scheduled appointments with the Hillsdale Housing Commission will be sent a notice of termination of the process for eligibility.

The Hillsdale Housing Commission will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Hillsdale Housing Commission will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 Notification of Negative Actions

Any applicant whose name is being removed from the waiting list will be notified by the Hillsdale Housing Commission, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Hillsdale Housing Commission system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Hillsdale Housing Commission will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 Tenant Selection and Assignment Plan

10.1 Preferences

In the absence of a federally mandated deconcentration plan, the Hillsdale Housing Commission will select families based on the following preferences within each bedroom size category:

- A. Elderly/Disabled Families
- B. Near Elderly Families
- C. Homeless or Involuntarily Displaced, Rent Burden, Substandard Housing (as defined below)

1. Involuntary Displacement

An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate his or her housing unit as a result of one or more of the following actions:

- a. Disaster, such as a fire or flood, that results in the uninhabitability of an applicant's unit;
- b. Activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program; or
- c. Action by a housing owner that results in an applicant's having to vacate his/her unit, where:
 - i. The reason for the owner's action is beyond an applicant's ability to control or prevent;
 - ii. The action occurs despite an applicant's having met all previously imposed conditions of occupancy; and

- iii. The action taken is other than a rent increase.

An applicant is also involuntarily displaced if:

- i. The applicant has vacated his or her housing unit as a result of actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other member of the applicant's household; or
- ii. The applicant lives in a housing unit with such an individual who engages in such violence. For purposes of this paragraph, the actual or threatened violence must, as determined by the PHA in accordance with HUD's administrative instructions have occurred recently or be of a continuing nature.
- iii. The applicant has provided information on criminal activity to a law enforcement agency, and based on a threat assessment, the law enforcement agency recommends re-housing the family to avoid reprisals. (Displacement to Avoid Reprisals)
- iv. The applicant is a victim of a hate crime. A hate crime means actual or threatened physical violence or intimidation against a person or the person's property that is based on the person's race, color, religion, sex, national origin, handicap, or familial status. (Displacement by Hate Crime)
- v. The applicant or family member has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make the necessary changes as a reasonable accommodation to the disabled person. (Displacement by inaccessibility of unit)
- vi. The applicant has been or will be displaced because of HUD disposition of a multifamily unit. For purposes of this section, reasons for an applicant having to vacate a housing unit include, but are not limited to:
 - (1) Conversion of an applicant's housing unit to non-rental or non-residential use;
 - (2) Closure of an applicant's housing unit for rehabilitation or for any other reason,
 - (3) Notice to an applicant that he or she must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;
 - (4) Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred;

- (5) Any other legally authorized act that results or will result in the withdrawal by the owner of the unit or structure from the rental market. Such reasons do not include the vacating of a unit by a tenant as a result of actions taken because of the tenant's refusal:
- (a.) To comply with applicable program policies and procedures under this title with respect to the occupancy of under occupied and overcrowded units or;
 - (b.) To accept a transfer to another housing unit in accordance with a court decree or in accordance with such policies and procedures under a HUD approved desegregation plan.

2. Substandard Housing

A housing unit is substandard if it:

- a. Is dilapidated;
- b. Does not have operable indoor plumbing;
- c. Does not have a usable flush toilet inside the unit for the exclusive use of a family;
- d. Does not have a usable bathtub or shower inside the unit for the use of a family;
- e. Does not have electricity, or has inadequate or unsafe electrical service;
- f. Does not have a safe or adequate source of heat;
- g. Should, but does not, have a kitchen, or;
- h. Does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family, or it has one or more critical defects, or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects may involve original construction, or they may result from continued neglect or lack of repair or from serious damage to the structure.

For the purposes of this paragraph, an applicant who is a "homeless family" is living in substandard housing. For purposes of the preceding sentence, a "homeless family" includes any individual or family who:

- i. Lack a fixed, regular, and adequate nighttime residence; and
- ii. Has a primary nighttime residence that is:

- (1) A supervised publicly or privately operated shelter designed to provide temporary living accommodations including welfare

hotels, congregate shelters, and transitional housing for the mentally ill;

- (2) An institution that provides a temporary residence for individuals intended to be institutionalized; or
- (3) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

A "homeless family" does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.

For the purposes of this section, definition of a "homeless family" includes participants in transitional housing programs.

For purposes of this section, Single Room Occupancy (SRO) Housing (as defined in CFR 822.102) is not substandard solely because it does not contain sanitary or food preparation facilities (or both).

3. Rent Burden

For purposes of this section, rent is defined as:

- a. The actual amount due, calculated on a monthly basis, under a lease or occupancy agreement between a family and the family's current landlord; and
- b. In the case of utilities purchased directly by tenants from utility providers:
 - (i.) The PHA's reasonable estimate of tenant-purchased utilities (except telephone) and the other housing services that are normally included in rent; or,
 - (ii.) If the family chooses, the average monthly payments that it actually made for these utilities and services for the most recent 12 month period or, if information is not obtainable for the entire period, for an appropriate recent period.

For the purposes of determining a preference under this section, applicant must document that they have been paying more than 50 percent of monthly income for rent for at least 90 days.

For purposes of calculating rent under this section, amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable rental amount to the extent that they are not included in the family's income.

In the case of an applicant who owns a manufactured home, but who rents the space upon which it is located, rent under this section includes the monthly payment to amortize the purchase price of the home, as calculated in accordance with HUD's requirement.

In the case of members of a cooperative, rent under this section means the charges under the occupancy agreement between the members and the cooperative.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 Assignment of Bedroom Sizes

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Hillsdale Housing Commission will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex may share a bedroom
- B. Children of the opposite sex may share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Hillsdale Housing Commission will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- B. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- C. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 Selection from the Waiting List

The Hillsdale Housing Commission shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 Deconcentration Policy

Since the Hillsdale Housing Commission has only one family development, it is exempt from federal deconcentration requirements.

10.5 Offer of a Unit

When the Hillsdale Housing Commission discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income-targeting goal.

The Hillsdale Housing Commission will contact the family first via first-class mail to make the unit offer. The family will be given fourteen (14) calendar days from the date the letter was mailed to contact the Hillsdale Housing Commission regarding the offer. If the family rejects the offer of the unit, the Hillsdale Housing Commission will send the family a letter documenting the offer and the rejection.

10.6 Rejection Of ~~of~~ Unit

If in making the offer to the family the Hillsdale Housing Commission skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Hillsdale Housing Commission did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.7 Acceptance of Unit

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Hillsdale Housing Commission will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Total Tenant payment or \$50.00 whichever is greater

In exceptional situations, the Hillsdale Housing Commission reserves the right to allow a new resident to pay their security deposit in up to two payments. One half shall be paid in advance, and one half with their second rent payment. This shall be at the sole discretion of the Housing Authority.

11.0 Income, Exclusions from Income, and Deductions from Income

To determine annual income, the Hillsdale Housing Commission counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Hillsdale Housing Commission subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 Income

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
2. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 Annual Income

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

- H. The amounts received from the following programs:
1. Amounts received under training programs funded by HUD;
 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
 6. Temporary, nonrecurring or sporadic income (including gifts);
 7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
 8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
 9. Adoption assistance payments in excess of \$480 per adopted child;
 10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:

- (i.) Is authorized by a Federal, State or local law;
 - (ii.) Is funded by the Federal, State or local government;
 - (iii.) Is operated or administered by a public agency; and
 - (iv.) Has as its objective to assist participants in acquiring employment skills.
- b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
- c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any family self-sufficiency program.
 - c. Families who are or were, within 6 months, assisted under a State TANF program.
- (While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)
12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services

and equipment needed to keep the developmentally disabled family member at home; or

15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
 - a. The value of the allotment of food stamps

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;

- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;
 2. That has disability expenses greater than or equal to 3% of annual income, an allowance for disability assistance expenses computed in accordance with paragraph C, plus an allowance for medical expenses that equal the family's medical expenses;

- A. *Definitions.* The following definitions apply for purposes of this section.
- i. *Disallowance.* Exclusion from annual income.

 - 3. Whose annual income increases, as a result of new employment or increased earnings of a family member, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the Hillsdale Housing Commission in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance – provided that the total amount over a six-month period is at least \$500.

B. *Disallowance of increase in annual income.*

- i. *Initial twelve-month exclusion*. During the cumulative twelve month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the Hillsdale Housing Commission shall exclude from annual income of a qualified family any increase in income of the family member as a result of employment over prior income of that family member.
- ii. *Second twelve month exclusion and phase-in*. During the second cumulative twelve month period after the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the Hillsdale Housing Commission shall exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.
- iii. *Maximum four-year disallowance*. The disallowance of increased income of an individual family member as provided in paragraph (B)(i) or (B)(ii) of this section is limited to a lifetime 48 month period. It only applies for a maximum of twelve months for disallowance under paragraph (B)(i)

- C. *Inapplicability to admission.* The disallowance of increases in income as a result of employment under this section does not apply for purposes of admission to the program (including the determination of income eligibility and income targeting).
- D. *Individual Savings Accounts.* As an alternative to the disallowance of increases in income as a result of employment described in paragraph (B) of this section, the Hillsdale Housing Commission may choose to provide for individual savings accounts for public housing residents who pay an income-based rent, in accordance with a written policy, which must include the following provisions:
- i. The Hillsdale Housing Commission shall advise the family that the savings account option is available;
 - ii. 12.0 Verification

The Hillsdale Housing Commission will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income,

assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 Acceptable Methods of Verification

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Hillsdale Housing Commission or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Hillsdale Housing Commission will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Hillsdale Housing Commission has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Hillsdale Housing Commission will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 Types of Verification

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. Periodic payments (i.e., social security, welfare, pensions, workers	Letter or electronic reports from the source	Award letter, letter announcing change in amount of future payments

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Hillsdale Housing Commission determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 Verification of Social Security Numbers

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Hillsdale Housing Commission will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Hillsdale Housing Commission will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 Timing of Verification

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 Frequency of Obtaining Verification

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 Determination of Total Tenant Payment and Tenant Rent

13.1 Family Choice

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the formula based method at any time for any of the following reasons:
 1. The family's income has decreased.
 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

13.2 The Formula Method

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of \$ 0.

In the case of a family who has qualified for the income exclusion at Section 11.2(H)(11), upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

13.3 Minimum Rent

The Hillsdale Housing Commission has set the minimum rent at \$ 0. However if the family requests a hardship exemption, the Hillsdale Housing Commission will immediately suspend the minimum rent for the family until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
 2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 3. When the income of the family has decreased because of changed circumstances, including loss of employment;
 4. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 5. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 The Flat Rent

The Hillsdale Housing Commission has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The Hillsdale Housing Commission determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Hillsdale Housing Commission will post the flat rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.5 Ceiling Rent

The Hillsdale Housing Commission chooses not to implement ceiling rents.

13.6 Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Hillsdale Housing Commission will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing,

the Hillsdale Housing Commission will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Hillsdale Housing Commission. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 Utility Allowance

The Hillsdale Housing Commission has no utility allowance.

13.8 Paying Rent

Rent and other charges are due and payable on the first day of the month. All rents should be paid at 45 N. West Street. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment

If the rent is not paid by the seventh of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$10 late charge or \$1 a day, whichever is greater, will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge of the actual amount of the NSF bank processing fee.

14.0 Community Service

A Community Service Policy has been established by the Hillsdale Housing Commission and is hereby incorporated into this Policy by reference. A copy of the Community Service Policy may be viewed at the Hillsdale Housing Commission's management office.

15.0 Recertifications

At least annually, the Hillsdale Housing Commission will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 General

The Hillsdale Housing Commission will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Hillsdale Housing Commission will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Hillsdale Housing Commission taking eviction actions against the family.

15.3 Ceiling Rents

The Hillsdale Housing Commission hereby establishes Ceiling Rents for all unit sizes exactly equal to the amounts established for flat rents.

15.4 Flat Rents

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent

- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every year.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
- F. The dates upon which the Hillsdale Housing Commission expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Hillsdale Housing Commission will send a reexamination letter to the family offering the choice between a flat or a formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Hillsdale Housing Commission may assist the family in identifying the rent method that would be most advantageous for the family.

15.5 The Formula Method

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Hillsdale Housing Commission will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income; or
- B. 30% of adjusted monthly income.

The family will pay the greater of the total tenant payment or the minimum rent of \$0.

15.6 Effective Date of Rent Changes for Annual Reexaminations

The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.7 Interim Reexaminations

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Hillsdale Housing Commission between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Hillsdale Housing Commission will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income

will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Hillsdale Housing Commission will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.8 Special Reexaminations

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Hillsdale Housing Commission may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

[The Hillsdale Housing Commission shall require a special reexamination for any family member that reports less than \$100 per month income. Such special reexaminations shall occur on a regular basis, occurring not more than once every thirty (30) days and not less than once every ninety (90) days.]

15.9 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 Unit Transfers

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.

- C. To facilitate relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Hillsdale Housing Commission's deconcentration goal.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Hillsdale Housing Commission occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Hillsdale Housing Commission when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Incentive Transfers

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;

- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed the Hillsdale Housing Commission and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.
- G. Participates in a series of classes conducted by the Hillsdale Housing Commission on basic home and yard care.

16.5 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Hillsdale Housing Commission and the family rejects two offers without good cause, the Hillsdale Housing Commission will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Hillsdale Housing Commission's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 Cost of the Family's Move

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Hillsdale Housing Commission in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Hillsdale Housing Commission has caused the unit to be unsafe or inhabitable.
- C. The responsibility for moving costs in other circumstances will be determined on a case-by-case basis.

16.7 Tenants ~~In~~ [in] Good Standing

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Hillsdale Housing Commission. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 Transfer Requests

A tenant may request a transfer at any time by requesting a transfer in writing. In considering the request, the Hillsdale Housing Commission may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Hillsdale Housing Commission will review the request in a timely manner and if a

meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Hillsdale Housing Commission will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

Tenant families shall be allowed to transfer from one dwelling unit to another within a development, provided the following is agreed to in writing by the Tenant and Executive Director and/or his designee prior to authorization to move:

To pay in full, the higher of the following, immediately following management's authorization to move:

- A. Actual labor and material costs for preparing the currently occupied unit, or;
- B. Actual labor and material costs for preparing the unit to be occupied.

To absorb all costs for moving and to hold the Commission harmless in the case of damage or loss during the move.

Moves will only be authorized within a development when an insufficient number of approved applications are available for the immediate re-rental of all vacant units. At all times applicants shall be given preference over tenants already in residence for the selection of dwelling units. Transfers between developments shall be made for families requiring larger size units that do not exist within a development.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 Right of the Hillsdale Housing Commission in Transfer Policy

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 Inspections

An authorized representative of the Hillsdale Housing Commission and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Hillsdale Housing Commission file and a copy given to the family member. An authorized Hillsdale Housing Commission representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State

law. The resident's security deposit can be used to offset against any Hillsdale Housing Commission claims for damages to the unit.

17.1 Move-in Inspections

The Hillsdale Housing Commission and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 Annual Inspections

The Hillsdale Housing Commission will inspect each public housing unit annually to ensure that each unit meets the Hillsdale Housing Commission's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 Preventative Maintenance Inspections

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 Special Inspections

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Hillsdale Housing Commission.

17.5 Housekeeping Inspections

Generally, at the time of annual reexamination, or at other times as necessary, the Hillsdale Housing Commission will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 Notice of Inspection

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Hillsdale Housing Commission will give the tenant at least two (2) days written notice.

17.7 Emergency Inspections

If any employee and/or agent of the Hillsdale Housing Commission has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 Move-Out Inspections

The Hillsdale Housing Commission conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed

repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 Pet Policy

A Pet Policy has been established by the Hillsdale Housing Commission and is hereby incorporated into this Policy by reference. A copy of the Pet Policy may be viewed at the Hillsdale Housing Commission's management office.

19.0 Repayment Agreements

When a resident owes the Hillsdale Housing Commission back charges and is unable to pay the balance by the due date, the resident may request that the Hillsdale Housing Commission allow them to enter into a Repayment Agreement. The Hillsdale Housing Commission has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

20.0 Termination

20.1 Termination ~~By~~ [by] Tenant

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 Termination by the Housing Authority

The Hillsdale Housing Commission after 10/01/2000 will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Hillsdale Housing Commission will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;

- E. Failure to maintain the unit and ancillary facilities assigned to the resident in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any criminal activity on the property or drug-related criminal activity on or off the premises. This includes but is not limited to the manufacture of methamphetamine on the premises of the Hillsdale Housing Commission;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) days each year without the prior written approval of the Housing Commission;
- M. Not abiding by necessary and reasonable regulations promulgated by management for the benefit and well being of the housing project and the tenants which shall be posted in the management office and is incorporated by reference in this Policy;
- N. Not complying with all obligations imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety;
- O. To use only in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appurtenance including elevators;

20.3 Abandonment

The Hillsdale Housing Commission will consider a unit to be abandoned when a resident has both fallen one monthly rental period behind in rent and has clearly indicated by words or actions an intention not to continue living in the unit. The Hillsdale Housing Commission will file a petition in Circuit Court to obtain receivership of the unit and contents. The following actions will take place only after receipt of a signed order by the Court.

A Hillsdale Housing Commission representative may enter the unit and remove any abandoned property. Such property will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold or disposed of as the Hillsdale Housing Commission sees fit. If the Hillsdale Housing Commission does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

The Hillsdale Housing Commission will mail a notice of the sale or disposition to the resident and then wait 30 days. Family pictures, keepsakes, and personal papers cannot be sold or disposed of until 30 days after the Hillsdale Housing Commission mails the notice of abandonment.

Any money raised by the sale of the property goes to cover money owed by the family to the Hillsdale Housing Commission such as retroactive rent, utility charges, the cost of storing and selling the goods, or other charges. If there is any money left over and the family's forwarding address is known the Hillsdale Housing Commission will mail it to the family. If the family's address is not known, the Hillsdale Housing Commission will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Hillsdale Housing Commission.

Within 30 days of learning of an abandonment, the Hillsdale Housing Commission will either return the deposit or provide a statement of why the deposit is being kept.

20.4 Return of Security Deposit

After a family moves out, the Hillsdale Housing Commission will return the security deposit within 30 days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Hillsdale Housing Commission will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty calendar days.
